State Route 11 resurfacing project begins night work July 5

What: Night paving operations beginning next Tuesday will affect State Route (SR) 11 traffic around downtown Monticello through the end of the week. Pittman Construction Company is working through the city square on SR 11 heading north outside of the city limits.

Lane closures will be required at various times each night. Whenever you approach a work zone: slow down; allow extra distance between vehicles; read signs; obey road crew flaggers; and *expect the unexpected*.

This is part of the \$3.2 million paving and shoulder rehabilitation project spanning 14 miles beginning at SR 16/SR 83 (Southern Avenue) and extending to the Newton County line. Currently, the project is over 50 percent complete.

When: 7 p.m. until 6 a.m. weather permitting starting Tuesday, July 5 through Friday, July 8

Where: SR 11 through Monticello in Jasper County; Lane closures will affect downtown traffic through the square heading northbound outside the city limits.
